IPA Philippines Presents to the Chief Justice of the Supreme Court of the Philippines

On February 22, 2017, IPA Philippines presented to Chief Justice Maria Lourdes Sereno potential evaluation options for priority reform projects of the Supreme Court of the Philippines. These options focused on reducing case congestion, speeding up case processing, and improving case management systems in courts. The Chief Justice expressed her willingness to partner with IPA on more evaluations in the future. Representatives from 3ie also attended the presentation.
