Dean Karlan Gives Keynote for USAID Webinar: Preliminary Results of Belief Systems and Poverty Alleviation Study in the Philippines

On March 17, 2017, IPA Founder Dean Karlan was the keynote speaker at a USAID webinar to discuss the preliminary results of an ongoing impact evaluation on belief systems and poverty alleviation in the Philippines. The webinar was attended by representatives from USAID Philippines and USAID's main office, including Jeffrey Lehrer, Director of USAID Philippines' Office of Economic Development and Governance.
