IPA Philippines Holds Capacity Building Workshop on Data Management with the Department of Social Welfare and Development

On December 14-15, IPA Philippines conducted a two-day virtual capacity building workshop with the Department of Social Welfare and Development (DSWD). IPA led sessions on Data Management and Protocols, Coding Best Practices, and Merging Administrative Datasets. Participants include research and evaluation focal persons from the DSWD Field and Central Office. [Nassreena Sampaco-Baddiri](#) (IPA Philippines Country Director), [Yuna Liang](#) (Research Coordinator), and [Maria Isabel Fernandez](#) (IPA Philippines Research Associate Associate) spoke at the event.
