Entrepreneurship and Private Sector Development 12th Working Group Meeting

On November 18, the Entrepreneurship and Private Sector Development (EPSD) Program at IPA (formerly the SME Program) co-hosted its 12th annual working group with Columbia University's Center for Development Economics and Policy (CDEP) at the Kellogg Center in New York City. This was a closed, invite-only event. As in years past, the purpose of the meeting is to convene our network of researchers and practitioners for a full day of discussions on innovative research designs, early-stage results, and new papers focused on EPSD in low- and middle-income countries.
