IPA Nigeria Evidence Summit in The Exodus News

February 22, 2024

The Exodus News Blog covers the IPA-hosted Nigeria Evidence Summit which took place on February 21, 2024, in Abuja. The event convened IPA staff and leadership with representatives of the National Agency for the Prohibition of Trafficking in Persons along with policy, donor, partner, and other stakeholder organizations to discuss evidence use across the sectors of social protection, education, and financial inclusion.
