Introduction	<p>Good morning/afternoon. I am [enumname] with the International Food Policy Research Institute (IFPRI).</p> <p>We visited your household last year (2019) to conduct a survey, in which you kindly agreed to participate. We are calling you now to do a short telephone survey interview, which can help the government evaluate the impact of the recent Coronavirus outbreak and help in the design of policy responses, including safety net assistance and relief. This will take approximately 25 minutes. Your participation in this interview is voluntary. You are welcome to stop your participation at any time without losing any rights as a research participant. In appreciation of and as compensation for the time spent participating in this research, we will send you Tk 100 mobile phone credit to this phone number after the interview is complete. This study is conducted anonymously, and every effort will be made to ensure that any information you share with our team is kept private and confidential. Your identity and personal data will not be disclosed to anyone except to the researchers of the study. We may try to re-contact you for a similar phone survey. Do you agree to participate in the interview?</p> <p><i>Question relevant when: $\\${now_complete} = 'Yes'$</i></p>
